

THROUGH THE GRACIOUS efforts of the Sierra Madre Community Hospital Auxiliary the maternity department witnessed a "dream come true." The delivery table (old) has been on its last legs for a long time and was becoming a hazard for those who worked with it. At a cost of \$1,723.62 the latest and best now occupies the delivery room at the Sierra Madre Community Hospital. A heartfelt and warm feeling of sincere appreciation is extended to the unselfish attitude of the Ladies' Auxiliary. Shown below is the new and above the old. The comparison could be made in a 1912 Model T and a 1963 Cadillac.

Fun Place To Shop

Conglomeration, New Idea Shop Opens In Sierra Madre

Are you an individualist, always looking for that "different" something? A new idea, a real different gift, something special for the person who has everything? Then the Conglomeration Shop located at 65 N. Baldwin is made to order for you.

In talking with the merchants these past few weeks, I have fabricated a story, that regardless how silly it may seem, or sound, it does have more truth than fiction.

I set it down here for your consideration and chuckle.

January 2 — Bought an automobile today. Very easy terms. Very fine car, with handy lighter on dash. Ought to finish payments in 36 months.

February 2 — Paid installment due on car. Bought a color TV set on easy terms. Fine set and payments will be small and monthly.

March 1 — Little late with car payment this month and will have to let the TV payment go until April, as I bought a set of books and had to pay \$10 down. Very fine books. Everyone should have a set of these books.

April 12 — Borrowed \$50 from the boss to make car payment. The TV man came to take the set, but we put out the lights and weren't home. The chump hung around all evening so I didn't even get to read my books.

May 1 — Borrowed \$100 from Uncle Adolph to pay the 50 I borrowed from the boss to meet the car payment. Got a little behind on the books because I bought a piece of land in a new real estate development. Paid \$50 down. You know everyone should own a piece of the country he lives in.

July 15 — Somehow I don't miss color TV much and you get all the books you want from the public library. What hurts is that Uncle Adolph should be so hard boiled with his own nephew. Of course, I promised to pay him the 1st, but I really didn't say the first of what.

In fact what I was thinking — Please turn to Page 9

The two young men responsible for this brandchild are Tom Heck and Tom Barger, both previously had similar shops in the San Francisco area, they came to Sierra Madre on a visit, and frankly admit that they fell in love with our city, decided to come back to live, and hence the "Conglomeration," a fun place to shop.

Already they are amazingly well stocked, gift items for both men and women, accessories, jewelry, handbags, belts, glassware, pottery, ready to wear, they have an inside source from Greenwich Village, so are able to make available to the public specialty items found no where around.

The partners in the Conglomeration, wish to extend a personal invitation to all in the area to drop in and visit, browse around at your own leisure and make suggestions, if you don't see what you want, let your wishes be known.

Later the Conglomeration plans to sponsor art exhibits indoor and out under the stars, many ideas are in the formative stage to make the "Conglomeration" a fun place for you to shop. See them this week without fail.

TOM HECK AND TOM BARGER stand beside their showcase in front of their brand new shop, the Conglomeration, located at 65 N. Baldwin. The Conglomeration boasts specialty items, and gifts in all price ranges. The new word in shops, and a fun place to shop.

SALE AT KINGS

If you have never heard of an unusual sale, you are about to hear about one being held this week at King Jewelry here in Sierra Madre.

This sale is to be known as the "How Come" sale, and really cuts prices to the bone. As Richard King states, "I am bleeding all over the place, but my wife has given me such a bad time. When she comes to the store and looks over the merchandise and consistently says, 'How come you bought this, or how come you bought that' that I have decided to get it out of sight."

Look up his unusual advertisement in this issue of the News and hurry right down and save yourself a bundle. Don't say to yourself, "How come I didn't attend this sale?"

Services Held For House E. Olson

Services were held Tuesday at 2 o'clock for House Edward Olson, age 62 who passed away in the Huntington Memorial Hospital Saturday, Sept. 7, after a lengthy illness.

Forty-one years in California most of it being in the Sierra Madre area, House originally came from Manestie, Michigan, and with his wife Mary owned and operated the Printing House in Sierra Madre, living at 704 Canyon Crest.

He leaves to mourn his passing his wife Mary E. Olson of the home. A stepson, Mills W. Miller of South Pasadena; a step-daughter, Mrs. Donald Strasser, Devon, Pa.; two sisters, Mrs. Alma Thompson and Mrs. Heartha Crowell both of Rancho Mirage, Calif., and a half brother, Alfred P. Olson of Arcadia.

Rev. Ray Hansen conducted the services and interment was in Sierra Madre Cemetery. Ripple Mortuary of Sierra Madre handled the arrangements.

Shalimar Plans Open House Sept. 14 and 15

Henry V. McNulty, president of the Huntington Construction Co., Inc., announces that the new Shalimar apartment, located at 434 Mariposa, will be completed and ready for occupancy by the 15th of September.

Open house is planned on the afternoons of the 14th and 15th for your inspection. The Shalimar, designed by Robert Wright, A.A., is exclusively and ideal for distinguished adult living, and features two bedroom and two bedroom and den suites.

Some other outstanding features to insure more luxurious living are central air conditioning and central heating, two pullman baths, 200 sq. ft. private patio, and a two-car parking for each unit.

Completion of the Shalimar represents a portion of more than \$600,000 of new construction started in Sierra Madre in 1963 by the Huntington Construction Co. Management of the Shalimar will be by Flamingo Properties Realtors, and two-bedroom suites will be available from \$175 per month.

Republicans Elects Officers

The Sierra Madre Unit of United Republicans of California in a recent meeting at the home of Dr. John Robertson elected interim officers. The group selected Dr. Robertson as chairman; Sterling Ripple, vice chairman; Frances King, secretary; Richard King, treasurer; Lucille Eaton, program; Betty Johnson, education and legislative, and Rosa Cason, publicity.

Chairman Robertson issued a call for new members, pointing out that membership in UROC is open to any Republicans over 18 who subscribe to the principles of UROC.

Details can be obtained by calling any of the officers of UROC.

Sierra Madre Public Schools Opens Monday, Sept. 16

Sierra Madre and Sierra Mesa elementary schools open Monday, Sept. 16, with regular full day schedules for all pupils, according to Dr. Edward E. Hawkins, Sierra Madre principal. All classes commence at 8:45. First and second grades are dismissed at 2:10, third grade at 2:45, upper grades at 3:10. Morning kindergarten is from 8:45 to 11:10 while afternoon kindergarten is from 12:20 to 2:45.

Preschool registration for new children may be made at the school offices from 8 to 4:30 any week day. Three new teachers are joining the Sierra Madre

school faculty, according to Dr. Hawkins. Mrs. Valerie Read will replace Mrs. Lenore McKee in kindergarten. Mrs. Read has been teaching kindergarten at Hale and Burbank elementary schools. Mrs. McKee moves to first grade, taking the place of Mrs. Louise Sibbel, who has resigned for maternity reasons. Miss Vivian Polidor joins the faculty to fill the second grade vacancy for Mrs. Ethel Belter, who is taking a sabbatical leave to visit her son, Don, a missionary pilot in the South Pacific. Mrs. Belter also will study the education programs and problems in various countries on her trip. Mrs. Louise Flint has transferred from Washington elementary school to replace Mrs. Marion Stephenson in third grade. Captain Cary Stephenson was an Air Force instructor at CalTech and now moves to Macon, Georgia, on a new assignment.

Miss Lynne Carter changed her name to Mrs. Dennis Smith last June, and will return to her first grade assignment. William Pergande has replaced Louis Vangen and Norman Feest has replaced Louis Joyner in the school custodial staff. Mr. Vangen has transferred to Linda Vista school while Mr. Joyner has gone to Pasadena City College.

Dr. Hawkins also stated that after-school playground supervision by recreation leaders will commence on Monday, Sept. 23, one week after school begins. Hours each day will be from 2 until 5 p.m.

Sewer District 82 Ready To Start Construction

All Sub-Standard Structures To Be Demolished In 120 Day Extension

The City Council met in regular session Tuesday evening, Sept. 10 with all Councilmen present and Mayor Sorenson in the chair. The first order of business being the approval of Resolution 2015 for the payment of \$35,683.22 in outstanding accounts and payroll.

Demolish

A hearing was held on 8 sub-standard structures, two of which had already been demolished, one with permit and under procedure and two with oral demolishments recorded. The three remaining recognized the necessity for demolishment asking time to accomplish same. A motion was made by the Council that the attorney be instructed to bring in the necessary instruments asking that structures be brought up to code or demolished within 120 days from this date. Carried.

82 On Way

Bids were reviewed on Sewer District 82 and the contract given to the Vido Samarich Company on a bid of \$17,708.00. The engineer's estimate on this district was \$20,785.00.

Signing Sept. 24

Due to an inaccuracy in the survey, the Sunnyside agreement was carried over until the regular meeting of September 24, by which time the city survey crew will have finished their work and the Monastery will be notified of the property desired by the city, and commitment received for the signing of the agreement.

Resignation of George Fleming from the Recreation Commission was received with regret, and James A. Teel, by recommendation of Chief Bale, was appointed as patrolman in the police department pending his physical examination.

Three thousand two hundred dollars was authorized for expenditure to the County for striping the streets of Sierra Madre, and the banner for the Friends of the

3 Hour Parking

A petition was presented by the businessmen on North Baldwin asking for a three-hour parking limit on the parking lot at the corner of Baldwin and Montecito. The City Attorney was instructed to bring in the necessary instruments to reduce the parking for this lot to three hours, with penalties for overparking.

The Mayor proclaimed Constitution week and read several communications relative to meetings and seminars to be held.

A personal controversy over the excavation on Mt. Wilson Trail was given considerable time and it was the ruling of the Council that Mr. Bowman, workman on the project, must take out a permit for cut and fill and apply himself to 9100 section of the Code. Since a permit had been issued for the removal of dirt, to an extent, and the interpretation

Garden Party For Dr. Rafferty

Dr. Max Rafferty, State Superintendent of Public Instruction, will be honored at a garden party given by the Citizens For Educational Responsibility of Monrovia. Invitations have been sent to 250 local citizens. The affair will be held Saturday, Sept. 14.

MR. AND MRS. PAUL ROBERTSON and Mr. and Mrs. Hugh Livingston are shown making final plans for the annual Trinity Presbyterian Church "Ranch Round Up," to be held on Saturday evening, September 28. Profits from the evening will be used to refurbish the chapel and grounds of the church.

PICTURED IS A '61 FIAT belonging to Kathleen Lavigne of 126 E. Grand View. The Fiat was parked in front of the Lavigne home when a '60 Mercury driven by Kevin Condit Snow, a student at P.H.S. and resident of 310 E. Highland, crashed into it knocking the Fiat upon the curb and into a telephone pole. The accident occurred at 12:34 a.m. Sept. 4. Apparently Mr. Snow fell asleep at the wheel. He received only a small laceration on the nose.

Question: What do you think of the gigantic End of the Month sale that the merchants of Sierra Madre are joining in together and making available for you?

Mrs. Robert Shelley 910 Fallen Leaf

"I like the idea. I enjoy shopping in Sierra Madre, so naturally I would enjoy the regular sales that the merchants are making possible."

Mrs. Victor Ham 4690 Alder Lane, Hastings Ranch

"I think it is a great idea. It seems that seasonal sales come at the wrong time. The End of Month sale you can depend on, and look forward to."

Mrs. Wendell Langman 75 Esperanza

"I have two babies and it is hard to get out, but I find that when all the stores combine their efforts with this one big sale a month, it is much more convenient shopping. I like the advertisements, too, you find out what product the stores are featuring."

New Books at Public Library

Cushman, Dan. The Grand and the Glorious—Tells of an exuberant and delightful Fourth of July in 1916.
Fleming, Ian. On Her Majesty's Service—a James Bond novel.

CHILDBIRTH In the GOOD OLD DAYS

Few families would care to go back to "the good old days" of childbirth. Death of mothers was common place, often because doctors had no drugs adequate for fighting infection. In 1915 one of every 154 mothers died in childbirth, or from complications of her pregnancy.
Many of these mothers could have been saved by only a few dollars' worth of today's medicines.
Now only one mother in 3,125 dies. Much of the credit for this improvement is due to the new prescription drugs. Their cost is surprisingly low. In fact, only 15 prescriptions in a thousand cost as much as \$10. The average one costs only \$3.26. No wonder we say: "Today's prescription is the biggest bargain in history."

Arboretum Starts Fall Classes For Children

Registration is now open for after-school and Saturday classes in the Youth Education Section of the Arboretum. More than 100 boys and girls, ages 6 to 16, will participate in free courses of horticultural and nature subjects, in which both workshop and field trip instruction is given, and students take total responsibility for their work.

Pre-registration is required. Interested persons may write for complete schedule and registration forms to Youth Education, Los Angeles State and County Arboretum, 301 N. Baldwin Ave., Arcadia.

"Indoor Gardens" is planned for the youngest children, to give them experience in plant propagation, start a plant collection and to enjoy walks in the gardens.

"Exploring Nature" is a class for students who will start an insect collection and observe insect relationships with other plants and animals during numerous field trips.

"Indians and Rancherias" presents varied experiences in learning and handling the tools of the Gabriellino Indians, the Mountain Men and the early California Pioneers. This workshop is entirely out of doors and planned especially for fourth grade level.

"Gardening," both vegetable and flowers is a class that lasts 18 weeks. Boys and girls plant, cultivate, fertilize and harvest from individual plots 55 square feet each.

"Greenhouse Propagation" for older students concerns responsibility for a forty foot greenhouse, growing specimen plants, making planters, and field trips to the Arboretum horticultural greenhouses.

"Holiday Plantcraft" on two levels will provide ideas and materials for decorations and gifts for the home, and study plants of Christmas significance.

Art Show

The work of Sierra Madre artists appears once more in the Little Gallery of City Hall, a new show that the public is invited to see. Landscapes, portraits, pencil drawings and pastels brighten the walls, having been arranged this time by Madeleine Pichard, one of the exhibitors.

The PLAZA Shop Talk

By Sewall Clark

HAVE YOU ever started to do something except you don't do it because you have just thought of something else?

In trying to decide, you build a debate in your mind until finally you just sit there, staring out the window.

INDECISION? I think that's what they call it. That's me. (Correction: That is I.)

It seems to run in streaks. There are days when you know exactly what you're going to do, so you do it. But then comes the day with all the little chores hanging around, like leftovers in the icebox, but you don't know what to do with them.

Where to begin? No place. Let's just sit down and look out the window.

TRUDIE, my energetic wife, baffles me in being contrary to this. No matter what presents itself, she dives into it.

Letters, for instance. She reads them immediately. Me? I'd rather put them in my pocket until I can read them in the shade of a coconut tree—if and when I can find a coconut tree.

WHY is this? Once I DO get started you can't stop me. It's like eating popcorn until you break a tooth. Doesn't make sense? A lot of things don't. For instance—

WOMEN from San Marino and 20 other little cities find Montecito in Sierra Madre, 39 East, with the greatest of ease—the PLAZA SHOP, of course. Have been Trudie's customers for months.

But other women, living here for years, say they had to search for it—even though it's right off Baldwin, just beyond the Shell station.

BIG SAFARI? Hardly. But even if they did "hunt" for it, they say they're GLAD they did.

Membership Tea September 25

Sierra Madre Woman's Club of Sierra Madre cordially invites all women of the Valley to the Membership Tea being held at the club house Wednesday,

Sierra Madre PTA Kaffee Klatch First School Day

The Sierra Madre PTA will honor room mothers, faculty, and staff of Sierra Madre and Sierra Mesa schools at an informal salad bar luncheon on Friday, Sept. 13. Approximately 200 guests are expected to attend the luncheon which will be held in the Sierra Mesa Cafeteria. The event has been well planned by Mrs. Stanton Gayle, hospitality chairman and her assistants, Mrs. Talmage Morash and Mrs. Martin Stornie.

Several new teachers and custodians will be introduced by the principals, Miss Betty Newton of Sierra Mesa and Dr. Edward Hawkins of Sierra Madre School. The PTA would like to

September 25 at 2 o'clock. The Executive Board, who are the hostesses, are especially anxious to welcome all new citizens, and all women who desire to meet a group of new friends, for the club specializes in friendship.

Under the dynamic leadership of the president, Mrs. Edna Barkman, the club is looking forward to a year of constructive activity.

welcome all new kindergarten mothers and parents of new students on the first day of school, Sept. 16, at a "Kaffee klatch" from 8:30 to 10:20 a.m. and from noon to 1:30 p.m. Sierra Mesa school will welcome parents on the patio and Sierra Madre school in the cafeteria.

Mrs. James Densmore, room representative chairman and her assistant, Mrs. William Beavers and Mrs. Sam Schwartz extend a cordial invitation to all parents to meet and chat with PTA officers and chairmen over a cup of coffee after they have deposited children in their rooms.

MRS. SCOTT O'LEARY II
... nee Kathleen Marie Alfredo

Kathleen Alfredo Becomes Bride Of Scott O'Leary II In Sept. Wedding

In front of an altar banked with large white baskets of white gladiolus, yellow mums and small daisy pom poms, Kathleen Marie Alfredo became the bride of Scott O'Leary II, on Sept. 7, in the St. Rita's Catholic Church, in an afternoon ceremony with the Rev. Father Patrick Callanan officiating.

Kathleen is the daughter of Mr. and Mrs. Anthony Alfredo, 3825 Canfield Rd., Pasadena, and Scott is the son of Mr. and Mrs. Scott O'Leary of 1690 Monterey Dr., Santa Rosa.

Given in marriage by her father, the bride was lovely in a candlelight Italian linen floor length gown with a scoop neckline and elbow length sleeves. Several large lace appliques cascaded down the front of the bodice and the bell-shaped skirt. Her headpiece was a pillbox covered in the Italian linen with lace and seed pearls and a butterfly veil, her bridal bouquet was a cascade of Auratum Lilies.

Lynn Alfredo, sister of the bride was maid of honor, the bridesmaids were, Lynn Foster, Mary Purcell, Mrs. Vahan Skendarian, and Kathy Lechlitter.

The attendants were all dressed identical in white frossette floor length gowns with yellow and green daisies embroidered at the bottom of their gowns, they wore green bow headpieces and carried round bouquets of yellow daisy-like mums with black centers.

Cousin of the bride, Mark Widder served as ring bearer. He is the son of Mr. and Mrs. Clayton Widder.

Prentice O'Leary served his brother as best man, and the ushers were, Mike Stoddard, Lance Erie, Gerald Elschen, and Daryl Curran.

The organist was Mr. L. H. Waters.

A garden reception was held at the home of the bride's parents. White tables and chairs surrounded the pool, floral arrangements

Slate Membership Party Sept. 18

Shades of Queen Guinevere will reign again when the Shakespeare Club Juniors gather for the annual membership party on Wednesday, Sept. 18, at 10:30 a.m. The Alameda Street home of Mrs. Patrick E. McCabe will be the scene of "An Olde English Garden Party" buffet brunch.

Gilded battlements and towers will mark the entrance where members will be greeted by Mrs. Claude R. Hickman, president, and Mrs. William Hannaford, vice president, according to Mrs. Clifford Stadler, membership chairman, who is being assisted by her vice chairmen, Mmes. Peter M. Collett, John Lloyd and William V. Wright.

Decorations will include banners in shades of gold, blue, red and green with gold fringe, and heraldic emblems of black and gold.

Throughout the garden will be tables each centered with a black urn filled with gold fruit combined with sweet peas in a variety of pastels on white tablecloths to carry out the garden party theme. Decoration co-chairmen are Mrs. John M. Riker and Mrs. William H. Henry.

Refreshment co-chairmen are Mrs. Kenneth B. Anderson and Mrs. Richard E. Hunter. They plan to serve a fruit compote with sausage and pineapple from chafing dishes.

Knights' jousting helmets with feather plumes will be the guests' name tags, while members will have shields and crests created by Mrs. Steve J. Deme and Mrs. Paul A. Downer. Others working for the success of the party are Mmes. W. E. Eckloff, James Link, Donald L. Smelser, Gene W. Archer and Dale J. Rogers.

Among those attending are Mmes. Bruce A. Macfarlane, George Berger, John R. Simpson, Robert Ratliff, William R. Allen and Franklin A. Williams.

Millinery Classes At Park House

Millinery classes begin Thursday morning, Sept. 19, at 9 o'clock in the Park House on Sierra Madre Blvd. These classes are sponsored by the Board of Education and are offered free of charge to any interested persons. The teacher again will be Felicia Law.

You may register on the day that classes begin.

DAR Schedule Home Coming Dinner Monday

Sierra Madre Chapter National Society Daughters of the American Revolution opens its '63-'64 season Monday, Sept. 16, in the Park House, 25 S. Hermosa, Sierra Madre.

The occasion will be especially emphasized with a Homecoming dinner at 6:30 p.m.

Following a short business meeting, Mrs. Archer S. Frey will review "What Happened to the Signers of the Declaration of Independence," in commemoration of National Constitution Week Sept. 17-23.

Mrs. Gwendolyn Becker, regent, invites all interested women in the community to come and get acquainted and learn what the Daughters stand for and do.

Mrs. James C. Greer, program chairman, is in charge of the dinner and will be assisted by all chapter members.

On Tuesday, Sept. 17, the first Southern District Conference of the State Society will be held at the Disneyland Hotel, Santa Ana, with the state regent, Mrs. Frank Mettlich, presiding. The afternoon speaker will be Rev. Edward Greenfield, who will speak on "Our American Heritage." Mrs. Becker will attend from the local chapter, accompanied by several other members.

Hastings Guild Cystic Fibrosis Annual Benefit

The Hastings Ranch Guild for Cystic Fibrosis and their guests will be greeted by President Mrs. Harold Hen-nacy to the ninth annual September Dinner Dance on Saturday evening, Sept. 21.

Mrs. Robert Hunt, benefit chairman, will be assisted by her committee consisting of: Mmes. Daniel Wells, reservations; Gordon Wright, patrons; Donald Alsop, decorations; Victor Caffee, refreshments; Donald Hays, invitations; and Roger Peterson, publicity.

Cherubs holding a feather and floral arrangement will carry out the theme of a Roman Holiday. Guests will enjoy cocktails at 7 with dinner and dancing following to the music of Marshall McGraw.

Funds raised at the affair by the 35 members of the Guild will be given for research in Cystic Fibrosis, led by Dr. Lyl Aay, at the Children's Hospital. The group also is assisted by 17 members of the Las Sequitas Workshop and 18 associate members. The Guild raises additional funds through its "Bargain Cottage" at 81½ W. Sierra Madre Blvd., Sierra Madre, and various social activities.

Now I know hat my dear mother-in-law meant when she cautioned me that these were the best years of our lives—when our children are at home and small. I apologize now for thinking that she just didn't understand how things were in this generation.

She understood all right and, as so many wise things our parents have tried to tell us, it sometimes takes years to appreciate the full import of the lesson.

When you get your last chick off to "really" school, or the first grade, armed with a lunch box, pencil case and a "booka" bag slung over the shoulder, that is the day you realize that those days with the little ones at home were your best years. The only problem is that you are too harried and worn down to realize what a good time you were having.

I know I'll probably say the same thing to my daughters and daughters-in-law when the time finally comes, and I'm quite sure they will politely accept what I have said with the reservation that things were different in my day, and so history will repeat itself on ad infinitum!

The Gerald Friederici family of Villa Heights took one last fling on the shores of Laguna Beach before sending their two daughters off to school. Ann is a sophomore at Wellesley in Massachusetts, and Judy also will be a sophomore this year, but at the University of Denver.

The dove hunting season opening always finds the Wallace Jones family in the Lindsay and Strathmore area visiting with the Richard Stark family and building a family tradition of always being out on the first day of the season. I don't think it is really very important whether they bag a lot of doves or not, but to be there and enjoy the hunt is the thing.

The Gene Rode family of Fairpoint returned last week after better than a month's trip that took them back to Minneapolis to visit Mr. and Mrs. George Rode, Gene's parents. As long as they were driving, they were able to take Ben and Elizabeth to the Grand Canyon, the Black Hills, down through the Taos area, and dip into Mexico a little way, and one of my favorite spots of all, Zion Canyon.

As long as I am talking about the activities of the Fairpointers, I'll mention

the fact that the Charles Hardisons entertained last week at a little dinner party. Their guests included John and Jean Holloway, John and Betty Redmond, Chuck and Pat Eldson and the guests of honor, Lee and Mary Jane Spence and their two children, Merilee and Kerry, who were visiting from San Jose.

On up or over Fairpoint, Marie Elena Gutierrez had a birthday she will long remember. Her children, and by children I mean Gudelia, Guillermina, Elena, Maria Letici, Ana Luz, Maria Christine, Jose Luis, Arturo and even Gabriel, who came home for the occasion, and of course her husband, J. Arturo, planned a surprise birthday breakfast in her honor. The guests all arrived quietly at 7:30 in the morning. Arturo had rigged up a loud speaker right by their bedroom, and all the children and guests proceeded to serenade with the Mexican birthday song. They all had a marvelous Mexican breakfast in the patio and presented her with gifts to show their affection. In addition to the immediate family, the guests able to come (many were still on vacation and out of town) were Ralph and Doris Paquette, Ben and Virginia Rogers, A. J. and Dodie Huber, Aikman and Sallie Armstrong, John and Eve Ferguson, Carl and Glory Mounter, Harold and Elsie Levenson, Tito Gutierrez and his two sons, Michael and Tommy, and George Floratos. Happy Birthday, just a little late!

Over Kinneloa Canyon way I talked to Mrs. Gene Prickett. They just recently returned from their vacation with their three boys, Donald, David and Greg, from a stay up at Monterey and Carmel. They found ideal weather the entire time.

The Kinneloa Canyon Club reconvened yesterday at the home of their president, Mrs. Wilfred Hazen. There was no program planned because they had so many summer vacations to talk about, as well as to plan the format for future meetings.

Mrs. Sam Joseph of Old House Road chose today as a good day to have a get-acquainted tea in the house and garden of her home. She is having Mrs. LuVern LaMotte as the guest of honor to speak briefly on the need of the third high school in Pasadena and to answer any questions that may come up regarding the need.

Masonic Rites Friday, Sept. 6, for H. A. McCandless

Harold A. McCandless, age 68, of 245 W. Grand View Ave., passed away Tuesday, Sept. 3, at his home following a lingering illness.

Mr. McCandless was originally from Belle Plaine, Iowa, and had lived in this area for the past seven years. His occupation was a gardener and he was employed at the State and County Arboretum.

A veteran of World War I, and a member of the Masonic Lodge in Iowa, Mr. McCandless is survived by his wife, Ellen M., of Sierra Madre, and two sons, John R. McCandless and Gordon W. McCandless, both of West Los Angeles, and also one grandchild.

Services were held Friday, Sept. 6, in the Congregational Church with Rev. George W. Lindsay and Masons from Masonic Lodge No. 408 conducting the services.

Interment, Live Oak Memorial Park with Masonic rites at graveside. Arrangements were made by Ripple Mortuary, Sierra Madre.

Church Notes

Dr. Robert Schaper, pastor of Bethany Church of Sierra Madre will preach at both the morning and evening worship services this Sunday at 11 a.m. and 7 p.m. respectively. The Sunday evening service will be centered around the ordinance of Holy Communion for all believers. Everyone is invited to attend these services.

The great Southern California Billy Graham Crusade concluded last Sunday evening climaxed a three week evangelistic outreach with attendance for Sunday evening's service passing the 145,000 mark. This great crowd responded to Dr. Graham's invitation to receive Christ as Saviour and thousands stood to their feet to indicate their desire to make a decision for Him.

Bethany Church has been a very real part in the Crusade as have other churches in Sierra Madre. In many ways, this is only the beginning of a more concentrated effort to reach others who have need for Christ and His teachings, according to Dr. Graham.

Pastor Schaper wishes to make it very plain that he would be most happy to counsel with any one who feels a real desire to know more about the Gospel of Christ and unite with the church. The church is located at the corner of Baldwin and Montecito and he can be reached there or by phone.

The Chancel Choir, directed by Mrs. Margaret Schaper will sing for the first time this season during the morning worship hour this Sunday. Their first rehearsal will be held tonight at 7. Anyone interested in singing in this outstanding musical group should call the church office. Three other youth choirs will begin their season upon the beginning of school.

Other activities which will take place in the near future include the annual Women's Missionary Union Fall Luncheon which will be held at the church on Tuesday, Sept. 17. Mrs. Dorothy McDonald is president of the group and extends a cordial invitation for all to attend.

Ascension Tidings

The regularly scheduled Sunday services at the Church of the Ascension will be resumed beginning Sunday, Sept. 22. Sunday school classes will also begin on that date.

The regular schedule for Sunday is: Low Mass at 7:30 a.m.; Morning Prayer at 8:40 a.m. followed by Low Mass with hymns at 9 a.m. Sunday school is scheduled from 9:30 a.m. to 10:15 a.m. Sung Mass and sermon will be at 10:30 a.m. followed by the coffee hour in the parish hall.

Weekday Masses are held daily at 7 a.m. Mass on Thursday is held in the Convent Chapel at 7 a.m.

Ascension Parish Day School will reopen on Tuesday, Sept. 17, at 8:50 a.m. Classes from kindergarten through eighth grade will hold regular session on opening day.

Choir rehearsals will begin on Friday, Sept. 20, at 8 p.m. for St. Dunstan's Choir. Time of rehearsals for the Junior (St. Cecilia) Choir will be announced at a later date.

Singers are needed for both choirs. Arrangements for joining either choir may be made with Mr. Jeffrey Rickard, organist, or with the clergy.

The Study Group, sponsored by the Women of the Church, and held under the leadership of the Rev. Harley G. Smith, Jr., will resume Friday, Sept. 27. The Episcopalian, the national church magazine will be used extensively as reference material for the study group and it is recommended that subscriptions be made either with Mrs. Gwen Felton 798-1744 or Mrs. Gail Avakian, 357-3727. Subscription price for a year is \$3.50.

Community," the Rev. George W. Lindsay, pastor of the church, will speak on the major emphasis of the curriculum. Discussion and questions, as part of the service, will follow. Chief themes of the curriculum for this year are "Growing As a Christian," "Exploring Our Christian Heritage" and "Christian Living With One Another." The service this Sunday will be at 10 o'clock. Beginning Sunday, September 22, services will be at 9:30 and 11, with church school at 9:30.

Lesson-Sermon 'Substance' Sunday, Sept. 15

Christian Science churches are presenting a Bible Lesson on "Substance" this Sunday, emphasizing that only spiritual things are substantial.

Bible readings will open with a verse from Psalms (104:24): "O Lord, how manifold are Thy works! in wisdom hast Thou made them all: the earth is full of Thy riches."

Related passages from the Christian Science textbook will include this statement: "All substance, intelligence, wisdom, being immortality, cause, and effect belong to God" (Science and Health with Key to the Scriptures by Mary Baker Eddy, p. 275).

Announces Guest Speaker Sunday

Dr. Mark T. Carpenter, administrator of the Department of Religious Science, Los Angeles, will be the guest speaker at the Santa Anita Church of Religious Science, 226 West Colorado Blvd., Arcadia, Sunday morning, Sept. 15, at both the 9 and 11 a.m. services. His subject will be "Abundance Is Yours."

Dr. Carpenter has a national reputation for executive ability in the field of church organization and development. Prior to his present position with the Church of Religious Science, Dr. Carpenter served important churches in Alaska, Vermont, Connecticut and Florida. He has been active on national boards and committees, dedicated to the religious welfare of mankind.

A New Englander by birth, he is a graduate of a Midwestern college and seminary, from which he holds the degree of Bachelor of Divinity. He is also a practitioner and holds Master Recognition in Religious Science. For his impressive contributions to the Church of Religious Science, he was awarded an honorary Doctorate of Humanities in 1956 and in 1959 the Honorary Doctorate of Religious Science was conferred upon him.

As churchman, administrator and religious leader, Dr. Carpenter is an influential figure in contemporary religious philosophy. He will have an outstanding message for all.

Child care is provided at both services. Every Tuesday evening Dr. Barnhart conducts a Divine Healing meeting. This is at 8 p.m.

The Fellowship Hall Festival is Friday, Sept. 20, beginning at 6:30 p.m. Dinner, games, entertainment, dancing. Reserve your dinner tickets.

Dr. Barnhart reminds, "Dial for Prayer, HI 7-6162."

SIERRA MADRE NEWS—7

Margily Rowzov
EL 5-7736

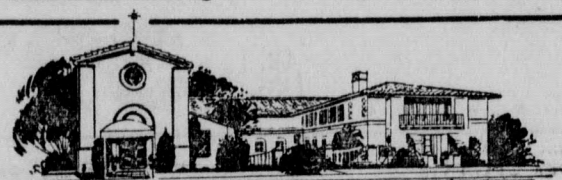

Parents, fasten your seat-belts, here we go again! Vacation's over and school is about to begin. Have you bought Junior's new shoes? How about sister's raincoat? Can big brother still use the same clip board he had last year? That football mouth-piece will just have to do! The red sneakers big sister wore only twice last year will have to be worn at least twice this year — perhaps we could bleach them white for gym?

We're really feeling our age these days, and wonder if some of you feel the same. Our babies are no longer babies, but taking their first step toward adulthood. The little children are in their last years at Don Benito and Field. Marshall and Wilson Junior Highs are seeing our young teenagers, and PHS is welcoming our older children. How tempus does fugit!!! MERCY!!!

Return From Turkey
Karen Cummins, daughter of Mr. and Mrs. Joseph Cummins, arrived home Monday night from a summer in Turkey. She was the PHS recipient of an American Field Service International Scholarship. The family Karen lived with are residents of Izmir, the ancient city of Smyrna, but have a beach home at Cesme, where most of the summer was spent, taking full advantage of her opportunities. Karen learned the language and methods of cooking Turkish food. Did you know there are 42 different ways to cook egg plant? Among some of the points visited during Karen's stay were Ephesus, the Shrine of the Virgin Mary, and Pergamum, one of the great cities of antiquity, and the medical center of the ancient Roman Empire.

The last week in Turkey was spent in Istanbul, where she lived with a couple who were both Chicago-trained doctors.

While daughter Karen was getting a Turkish education, the rest of the Cummins family were getting a California education. It seems that when Sue was leaving for Turkey, her parents realized that the rest of the children hadn't even seen Sacramento! So, Joe, Sue, and children Scott, Fred, and Lynn, hitched their boat to their car and off they went on a 2,000 mile trip around our fabulous Golden State. They drove as far north as Shasta on the coast highway, and camped and water skied the entire way.

Toms' Summer

The Ron Toms family went in all directions this summer. Son Frank arrived Sunday from England, where he spent the summer visiting relatives and friends, and after a week in Paris. Reed Johnson (former Rancher, now at Solvang), came down to meet Frank at the airport and spent a few days visiting.

Daughter Linda had a busy summer camping, visiting, and recently entertained Yvonne Brown from San Francisco.

Not to be outdone, Ron and Elizabeth spent a week with fourteen other English friends at Saint Catherine's on Catalina Island. One evening, while having a nightcap at the beautiful Jade Pagoda, the pianist was ill, and Ron took over the piano. According to Elizabeth, "We had a jolly good sing song!" Ron proved so popular that he filled in for the regular pianist for several nights, and was privileged to play with famous drummer and song writer, Ruben Rodriguez. Ruben and his brother wrote the popular "Tequila."

Wandering Woodworths

Pete and Cass Woodworth, with their boys Peter and Craig, have returned from a lovely family trip. Following the coast highway, they traveled through Morro Bay

to San Francisco. There they spent two days, seeing the best-dressed city in the west and the most picturesque. On the way to Eureka, they visited a winery and a lumber mill, and then went on to Redding. Pete's aunt owns a ranch at Madeline in Northern California, where the family enjoyed several days. Cass baked apple pies in a wood-burning stove and faced the challenge of no hot water except that which you heat yourself. The boys threshed wheat, rode horses bareback, and, in general, lived it up in real ranch style.

After lunch in Reno, and an overnight at Lake Tahoe, the family reluctantly returned home.

Unexpected Freeze

After promising their children, Cyn Dee, Lee, and Larry Bruce a camping trip, there was nothing left for Brit and Jan Brittelle to do but keep their word. Because they expected to camp at a fairly low altitude, the family got their gear together and felt that they were fully equipped for a month's outing. It seems that thousands of others had the same idea! The Brittells were really put to the test by ending up beyond Whitney Portal out of Lone Pine, on the side of the highest mountain in the United States. Needless to say, the temperature was low, low, low! This is one family that appreciates this warm spell we're having! A-ha!!

Beach Week

Church and Mary Haver, with children George, Ed, and Nancy, have returned from a week on the Balboa Peninsula. While there, George enjoyed a day surfing at Huntington Beach, where he was joined by a couple of hundred other surf lovers.

Ranch Round-up

Auditions for the talent show to be held at the Trinity Presbyterian Church Roundup, sponsored by the Marine groups, are being called for Saturday morning, September 21. Those interested may call Sue Cummins at EL 6-1547.

Newport Visitors

Paul and Norma Nurches, with their daughters Christine and Stephanie, spent a pleasant week enjoying the sea and sun at Newport Beach. Norma spent half of the time in the kitchen and the other half on the beach. The sunburn she is now wearing goes well with certain shades of blue!

Ahohai

A few weeks ago we gave a bon voyage party for Frank and Norma Edwards, who, with their son Jimmy, have just returned from a three-week vacation in Hawaii. Those taking part in this send-off also included Herb and Norma Lacy and Don and Yip Schneider. While in Hawaii, the Edwards sent us some beautiful Antheriums, direct from the Island Gardens.

They visited all of the islands, including Maui, Hilo and the Kona Coast. An eruption of the Alae Crater

was an exciting event. On Kauai they saw the Waimea Canyon, a counterpart of our Grand Canyon. One morning they rose at three o'clock and toured to the top of the Haleakala Crater to watch the sunrise. This is at an altitude of 10,000 feet. Jimmy surfed at Waikiki, and friends entertained the family with a native beach luau. What a life!!!!

Ranch Artist Exhibits

Marge Sawyer, hilltop resident, will exhibit some other enamel artistry, at the Pasadena City Art Fair. She will be showing some of her lovely works in bowls and trays. We can hardly wait to see this exhibit, and must list Marge in our **Pride Department**.

Our closing today will be most brief. Since Marge is

washing a mountain of clothes brought home from a week on Balboa Island, and Emily brought back an unwanted memento of old Mexico — an Estero Beach stomach ache — needless to say, we have both had it! Sigh-h-h!!

LWV To Meet

Members of the Sierra Madre Unit of the League of Women Voters of Pasadena and their guests will attend a Membership Brunch to be held Sept. 17 at 10 a.m. at the Women's City Club. Mrs. Richard Link, membership director, will be in charge of the affair which will initiate an interesting and busy year for the League.

Reservations for the brunch may be made by calling the league office, SY 2-5298 or SY 7-1229, not later than noon, Monday, Sept. 16.

Friday Concert

evening will be Bill Geffney with his banjo, Rich Rios and his Flamenco numbers, and a folk-song or two from Mike Mikulka and his trio.

The newly formed Sierra Madre Musical Comedy Workshop will smash a guitar attempting to set the scene for a bright young vocal talent, Miss Kathy Turner as she sings, "I Hate Muscles," to hero Wayne Bise.

Announcement will be made about the group's forthcoming production "The Number One Girl In Town," and the contest to find out who the real number one girl is in the Sierra Madre area. Do you know her?

A dragnet has been laid out to round up Al Foxton's Jazz Group, vacation schedules permitting, they will be there. All in all a real swinging evening has been planned for you at the Band Shell. Hope you can make it!

Von's Awards
Free Book Covers
To Students

Von's and Shopping Bag food stores will award free school book covers to students for the new fall semester, beginning on Thursday, September 5. Over one half million beautifully illustrated California designed textbook covers will be given free of charge, no purchase is required to elementary, junior high and high school students. All 83 Von's and Shopping Bag food stores will participate in the program.

There is no limit on the number of book covers students may request. The heavy duty covers will be given on a first come — first serve basis. The blue and gold textbook wrappers will be available beginning this week and as long as quantities. Book covers should be requested by students or parents at any of the 83 Von's and Shopping Bag food stores.

Editorially Speaking....

Why Turn Backward?

When the Los Angeles Department of Water and Power was granted the right to join with a Southern California utility firm in contracting for a special pipeline to import natural gas solely for boiler use, some people quite possibly thought, why not? The more the merrier.

Unfortunately, however, more in this case does not mean merrier, especially for the home user of gas. The very reason that the American system of private utilities, regulated by public agencies, was developed is that there were getting to be more competitive distributors of fuels than the economy could stand. Parallel utility lines, indiscriminate and uncoordinated competition, all were making rates impossible for the average consumer, or were ruining the smaller distributors.

When the Federal Power Commission later this year considers the application of the pipeline company which would supply Los Angeles and its utility company "partner," it will be considering this basic philosophy of regulation for the public interest as well as for the solidity of the industry itself. To build another pipeline that will be unregulated, paralleling those that are regulated and are fully capable of supplying all needs, is to step backward toward the old days of unbridled competitive waste. The public interest is better served by the well tested utilities system we now have.

★ ★ ★ ★

Ads and Taxes

The tax assessment announced recently for the state's privately owned utilities by the State Board of Equalization — \$4,348,391,000 — set an all time record for California. It also made pretty clear the stupidity of recent protests before the PUC against utilities' advertising.

Four billion dollars is a hefty assessment, even when spread among 199 companies. These businesses would have little to be assessed if they didn't do a good job of selling their wares and their services. And to sell effectively they must advertise.

It is an old and tired gimmick of the public power clique to picture private utilities as fattening their own wallets at the expense of their customers. Actually, of course, it is the other way around. Utilities advertising makes possible the widespread use of fuels and the most efficient modern appliances, at the lowest possible cost to the consumer.

It is unfortunate that the PUC was maneuvered into being the forum for a ridiculous attack on an established and vital factor in the American economy.

Refuses to Pay

The Soviet Union takes the position that it will not pay any portion of its U.N. assessment which may be levied for purposes of which it does not approve. In other words, the Kremlin will help pay for projects that it wants to see executed but will not pay any part of the cost of any U.N. action of which it does not approve.

Heretofore, the Soviet Government has refused to pay its portion of the cost of maintaining the armed forces in the Congo and the Middle East. But it now refuses to pay its share of at least five items in the regular U.N. budget for 1963. It seems quite likely that other Communist nations will follow this pattern resulting in bankruptcy for the U.N. unless the United States assumes the greater portion of the cost.

In my opinion, the American people will not continue to enlarge their already substantial contribution to U.N. when their voice in the conduct of U.N. affairs grows less and less. We now have one vote out of 112 and 60 member nations of U.N. have fewer people living in all of them put together than live in the United States. Nevertheless, these people, fewer in number than ourselves, have 60 votes to our one. Russia has three votes to our one and is assessed less than half of our assessment. Now, she refuses to pay the greater part of even this small amount.

It all sums up to the fact that we have less than 1 per cent of the voting power in U.N. and have been paying nearly 50 per cent of its cost. That is surely taxation without proportionate representation with a vengeance. I doubt that the American people will wish to continue paying for U.N. when so large a portion of its activities are directed against our interests.

DO YOU KNOW THAT:
... Former Assistant Secretary of State Adolph A. Berle said the Soviet Union, "will not, in our judgment, become the victim of any urge to seize great additions to her already huge empire."

... Berle listed the Soviet Union as a "freedom loving country" and denounced as "Nazi propaganda," those who spread, "vague rumors ... of huge imperial plans harbored by Soviet Russia."

... Admiral Anderson, Chief of Naval Operations, who was not appointed for a second term, had fought hard against the soft policy toward communism in Cuba and the Soviet sponsorship thereof.

... The Administration consistently plays down captive nations week and opposes the Congressional proposal to set up a Captive Nation Committee in Congress.

All Duvalier of Haiti and Cheddi Jagan of British Guiana need now, to set up their Communist regimes, is a good recommendation, or series of them, in the New York Times similar to the Herbert Matthews articles that boosted Castro into orbit.

FREEDOM

At Any Price

By E. V. Witty

Paul M. Heilmann, a United States citizen, was for many years a prominent and resident businessman in Cuba and witnessed the Communist take-over from an on-the-spot position. Mr. Heilmann's background includes that of being President of the American Chamber of Commerce of Cuba, President of the Havana Rotary Club, active in civic and social circles, as well as being dedicated to the fight against a world conspiracy of Communism.

Mr. Heilmann has supplied this columnist with the following documented information:

"Dr. Emilio Nunez Portuando is a former Chairman of the Security Council of the United Nations. During that incumbency, he stood out in high relief as an anti-Communist. His career both there and elsewhere gives credence and weight to the following telegram that he sent to J. F. Kennedy on 7 August, 1963:

"Since your Excellency has declared on numerous occasions that your administration would not tolerate that the Cuban people be treated by the Russians as they treated the Hungarians, I must assume the responsibility of notifying you that in the caves of the Mercedes estate, Matanzas Province, 200 Cubans who had sought refuge there, including women and children, were murdered with lethal gas STOP The Cuban militia was ordered to do so by the Russian officers STOP Since it was my tragic duty at the time to denounce the barbarian reprisals in Hungary before the United Nations, I can now inform you that at that time they did not use gas STOP This is the reason why no one speaks of the rest of Latin America only of Cuba STOP All America awaits your decision STOP If these violations of international law are tolerated, all faith will be lost in the effectiveness of the United States to keep our countries free from the claws of international Communism."

"Dr. Emilio Nunez Portuando, FORMER CHAIRMAN OF THE SECURITY COUNCIL OF THE UNITED NATIONS."

This columnist can assure you that no action will be taken by our President and the telegram or the information contained therein will not be reported in the press.

The cold blooded murder of 200 Cuban men, women and children by order of the Russian Militia ... appears to not be serious enough to even warrant complaint. It seems that the New Frontier places a value on life only when it furthers its own end. Otherwise, whether it be Christians in Katanga or freedom loving people in Cuba, the bureaucrats become totally deaf, dumb and blind to any and all pleas for help. But just allow one member of a minority race be murdered as happened a short time ago and the Kennedy administration is aghast at such butchery.

If the poor Cubans only had a vote, their walls would not then fall on deaf ears. In the light of this fact, perhaps the tympanic membranes of the Washington bureaucrats will become more sensitive as the '64 presidential election approaches. Would not Administration reprisals against Communist inhumanity have a tremendous effect upon the electorate?

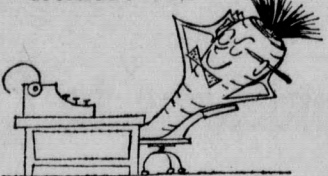

Walter Lippmann, columnist by trade and Fabian Socialist by policy, has told us, "Castro is not very important ... it has been proved he can't hurt us ...

we have problems in South America, but they do not come from him."

At the time that columnist Lippmann was giving out with this liberal "gobble-dagook," the Central Intelligence Agency was reportedly receiving information that Castro was negotiating with Krushchev to turn over the Isle of Pines to Russia for an air base.

When you read Lippmann—remember he is a Socialist.

CARROT TOP

ing was, that I would pay him the 1st chance I had a 100 buck around. Oh well, I can't do the impossible. I am trying to arrange for a character loan from the bank. Say \$250 would clear up everything.

—CT—
July 16 — Bank says I have no character.

—CT—
August 25 — Garage man is holding the car for repair bill. What right do they have to hold it? It doesn't belong to me.

—CT—
September 1 — Had to let the car go. Anyway I'd rather have that piece of land. They've given me 30 days grace. Real Estate people really have a heart.

—CT—
November 1 — Well, they can have their old land. If I knew where to get \$35 to meet payments on the new Hi-Fi I'd be alright. Bought a new car today on the "Pay - as - you - go - out - of - income - basis."

—CT—
November 15 — Income stopped. Got the gate at the office. One has to look real sharp when it's a job you're after, so I bought a new suit — \$5 down.

—CT—
December 1 — Wife and I have been going over our collection of S&H Green Stamps, seems that we will not have such a bad Christmas this year, do hope that I can raise the sales and excise tax required to get these wonderful stamp gifts.

—CT—
Got to be thinking about "Income Tax" time too ... wonder if there is anyway of getting to the government on a no work refund ... I'll go down and look over the code.

—CT—
Here's another one that should end up the week in fine shape and keep you going with a smile.

—CT—
I dreamed death came the other night, And Heaven's gate swung wide With kindly grace an Angel Ushered me inside.

—CT—
And there to my astonishment Stood folks I'd known on earth — Some I'd judged and labeled As "unfit" or "little worth."

—CT—
Indignant words rose to my lips, But never were set free For every face showed Stunned surprise ... No one expected me. Need I say more?

—CT—
We will close the column this week with a word of caution "watch out for our school children" they will be on the streets with frolicking desires ... see you around, I hope, I hope, I hope.

'YOUR CITY AND MINE'

YOUR ...
SIERRA MADRE
... POLICE REPORT

COMMUNICATING

Just looked at the date and realized that this column has been going on year this month. Happy Birthday to me. On this occasion it might be well to again explore, as was done in the first column, why a column like this is written, what it hopes to accomplish, and what you can do to help.

In 1962 the Sierra Madre City Officials were discussing what could be done to communicate to the people in Sierra Madre the often dull but necessary facts about Sierra Madre City Government. The discussion included a fancy year-end book full of colored pictures and facts about what had happened and was proposed, a special section in the newspaper once a year, a monthly mailing to all residents, and other possibilities. After consideration, these were rejected for several reasons: The two main reasons being that any monthly or annual booklet could not hit on current items, and that putting out such booklets would require the hiring of special publicity-trained personnel, and we felt the money could be better spent elsewhere.

Not as a secondary possibility, but as a way to get up-to-date, current topic coverage, it was decided to attempt a weekly column which would be prepared by the City Administrator from material either received from the various City Departments or written about their personnel and activities. Mr. Evans kindly agreed to the idea and has put up with short articles, long articles and late articles for a year now.

We have attempted in the articles to avoid personalities and individuals and to concentrate on the work done and the reasons behind what was done.

The only problem of communicating by newspaper is you get slow audience reaction. The entire city forces, including council, commissions and administration want to know what is best for both the immediate and long-range future of Sierra Madre. Sometimes finding that best is difficult and oftentimes finding out what people think is best is even more difficult.

The articles presented are one way for the City Officials to communicate with you. We wish it could be more exciting or dramatic, but government, like most of life, has few Cubas and Berlin Walls and is composed mostly of street repairs and trash pick-up.

Communicate back if you have some question or suggestion. We hope to make this more of a two-way street: The people telling the City of their problems and wishes and the City acting on those wishes and explaining why something is or is not done.

With kind forebearance and good luck, we may reach a second birthday next August.

Your ... Community ... Hospital

January 1, 1961 marked the formation of a non-profit, voluntary community hospital. A group of civic-minded citizens bargained for the purchase of the facilities known as the Sierra Madre Hospital and the Sierra Madre Medical Center. The purchase of both facilities (hospital and clinic) resulted in the formation of the Sierra Madre Community Hospital Foundation.

This transaction ended the proprietary ownership and control. A lease agreement then transpired and the clinic facilities were leased to a group of doctors for the purpose of practicing medicine. The lease merely entitles this group of doctors to utilize a designated area as clinic facilities. The hospital foundation exercises no control over clinic personnel or accounting procedures and there is no agreement between these groups for anything other than providing the facilities in which to practice medicine. By the same token, the doctors in the medical groups do not exercise any control over hospital facilities or personnel.

The hospital foundation was organized under the General Non-Profit Corporation, or pursuant to Part 1 of Division 2 of Title 1 of the Corporations Code.

A group of 11 of Sierra Madre's most prominent and competent citizens referred to as the Board of Directors: Lester K. Layton, J. Carl Brand, Betty Summers, Irl Beatty, James P. Comerford, M.D., Vern D. Cox, Charles Louk, Mrs. Janet Wood, Harold G. Petz, Don Jackson and James B. Hall.

The Board of Directors is charged with the responsibility of governing all matters which affect the hospital. These 11 civic-minded citizens receive no monetary compensation for their time and efforts. Their remuneration is measured in terms of providing the Sierra Madre Community with the best hospital facilities.

The members of the board are elected to office by corporation members. In essence, the board is considered a "the supreme authority" in the hospital over all matters. However, as in any large organization, a manager is usually required who is considered the chief executive officer of the institution, appointed and subject to removal by the governing board. The administrator of the hospital is the liaison officer between the medical staff and employees of the hospital and it is through him that all mat-

BIRCH ... SOCIETY ... SAYS

that it is both immoral and stupid to enter into any treaty with criminals who have no respect for treaties.

The Communists say that promises, like pie crusts, are made to be broken; that they enter into treaties only for the advantages to themselves, and with no expectation of abiding by such treaties. And they have proved by their actions, in violating dozens of solemn treaties before the ink was hardly dry, that they are just as unscrupulous as they claim to be.

Amid the infinite confusion around us today, the only safe guide is the moral standard. The important question about any proposed action, by a man or by a nation, is not "It is smart?" but "Is it right?" Entering into the test-ban treaty with the Soviet murderers is morally wrong. And for that very reason it is assuredly unwise.

The speed that thrills can be the speed that kills.

LEGAL NOTICE

NOTICE INVITING BIDS
For Construction of
SANITARY SEWERS
IN
ASSESSMENT DISTRICT NO. 81

Pursuant to statute and Resolution No. 2009 adopted August 27, 1963 by the City Council of the City of Sierra Madre, California, and an act of the Legislature of the State of California designated as the "Improvement Act of 1911," as set forth in Division 7 of the Streets and Highways Code, sealed proposals will be received at the office of the City Clerk of said City, 55 West Sierra Madre Boulevard, Sierra Madre, California, until 10:00 o'clock a.m., on September 19, 1963 for furnishing all plant, labor, materials, and equipment for construction of sanitary sewers in Assessment District No. 81. Sewer pipe shall be EITHER vitrified clay pipe OR asbestos-cement sewer pipe at the Contractor's option. A combination of the two pipe materials will not be permitted. The work includes 2,241 linear feet of 8-inch sanitary sewer line, 1,563 linear feet of 6-inch sanitary laterals, 123 vertical feet of standard manholes, and miscellaneous sand bedding. All quantities are approximate. Said work is more particularly described in Resolution of Intention No. 2000 adopted July 23, 1963 by the City Council. The entire work to be completed within 60 calendar days after date of execution of the contract.

The proposals will be publicly opened and read in the Council Chambers of said City on the date and at the time above mentioned. The bids will be presented to the City Council at 8:00 p.m., on September 24, 1963. Plans and specifications following the date of opening may be obtained at the City Clerk's office of said City, or at the office of James M. Montgomery, Consulting Engineers, Inc., 555 East Walnut Street, Pasadena, California. A refundable deposit of \$100.00 for each set of specifications and accompanying drawings. Said deposit will be refunded upon return of the specifications and drawings in good condition within 30 days after the date of opening of the bids. The specification is entitled "SPECIFICATIONS FOR CONSTRUCTION OF SANITARY SEWERS IN ASSESSMENT DISTRICT NO. 81." Reduced price of 50 cents per set of drawings are bound in the specifications. The scale of the reduced drawings is about one-half of the original scale. If full-scale drawings are desired for estimating purposes, they may be purchased at reproduction cost from James M. Montgomery, Consulting Engineers, Inc.

Each proposal must be accompanied by a certified check in the amount of ten percent of the aggregate amount of the proposal, or by a bid bond for that amount signed by the bidder and two sureties, or by a corporate surety bond, all of which shall be in full force and effect at the time of opening of the bids. The bidder, upon execution of a contract in the required form not exceeding ten (10) calendar days following the date of publication of the Notice of Award, nor longer than twenty-five (25) calendar days following said date of publication, will secure payment of workman's compensation insurance, and furnish a satisfactory faithful performance bond and a labor and material bond. Each of the last-mentioned bonds shall be in the sum of the aggregate amount of the estimated aggregate amount of the payments to be made under the contract, computed on the basis of the price stated in the proposal, in addition to the above. The bidder, upon execution of a contract, computed on the basis of the price stated in the proposal, in addition to the above, shall be required to furnish a financial statement of recent date. Failure to comply with this requirement will render a bid informal and shall be sufficient cause for rejection.

Pursuant to applicable provisions of the Labor Code of the State of California, not less than the general prevailing rates of the diem wages and not less than the general prevailing rates of per diem wages for legal holidays and overtime work, for each craft or type of workman needed to execute the work, shall be paid under the contract, as ascertained by and set forth in the schedule of such wage rates specifically hereinafter set forth and adopted by the City of Sierra Madre, California, shall be paid to all workmen employed on said work by the Contractor or by any subcontractor doing or contracting to do any part of said work, which schedule of wage rates is as follows:

NOTICE OF SALE OF
REAL PROPERTY AT
PRIVATE SALE
NO. NE P-3550
In the Superior Court of the State of California, in and for the County of Los Angeles.
In the Matter of the Estate of GENEVIEVE McCAVITT, Incompetent.

Notice is hereby given that the undersigned will sell at private sale, on or after the 30th day of September, 1963, at the office of KENNETH C. NEWELL, 523 Security Building, City of Pasadena, State of California, to the highest and best bidder and subject to confirmation by said Superior Court, all the right, title and interest in and to the real property situated in the City of Sierra Madre, county of Los Angeles, State of California, particularly described as follows: Lot 5 of Victoria Place, as per Map recorded in Book 9, Page 173 of Maps, in the office of the County Recorder of said County.

One of the representatives from Sierra Madre, for example is Paul Devlin, vice president of our Sierra Madre Chest now also serving on the area board as its vice chairman.

The Sierra Madre Board urges everyone to accept this new idea for the best interest of our city. If we had not voted to join one half of the total money received annually through business and industry would have been lost to us. And the Board feels the advantages of the united appeal will be very evident for the future in Sierra Madre.

Since we are now cooperating fully with the organization. We will best fulfill this obligation by conducting a successful campaign here—something which we have always done in the past.

The success of any campaign depends on the number of people who help and volunteers are greatly needed for our drive.

Anyone interested in helping is asked to contact Mrs. Frieda Shaw EL 5-0143 or some member of the Board. The budget for 1963 in Sierra Madre has been studied and voted on by our own board. It is the policy of United Way to maintain these amounts as the first obligation on funds raised this year.

Following is the list of our Chest agencies and the amounts that have been budgeted to them:

Boy Scouts, \$2,520; Girl Scouts, \$3,297; Camp Fire Girls, \$977; YMCA (Pasadena), \$800; Sierra Madre Toy Loan, \$525; Sierra Madre Community Nursery School, \$900; Children's Hospital, \$1,150; Orthopedic Hospital, \$160; Visiting Nurses, \$300; Family Service, \$2,200; Traveler's Aid, \$75, and U.S.O., \$150.

Lt. R. F. Daniels Makes First Solo

Richard F. Daniels, Lt. (jg) USN, son of Mr. and Mrs. Daniel H. Daniels of 1957.

380 W. Carter Ave., Sierra Madre, made his first solo flight in a military aircraft recently at the Sauley Field Naval Auxiliary Air Station, Pensacola, Fla.

The flight was made after a dozen flights of dual instruction during which he learned to take off, maneuver in flight, and land. The instruction also covered communications and navigation procedures.

The flight student will fly propeller-driven and jet aircraft in the months ahead learning navigation, aerial gunnery, combat maneuvers, and aircraft carrier landing techniques.

A graduate of the University of California, Santa Barbara, Daniels entered the Navy in November, 1957.

Art Exhibit At Wilshire Federal

An outstanding art exhibit by the Business Men's Art Institute of Los Angeles is now on public display in Wilshire Federal Savings art salon, 3500 Wilshire Blvd., Los Angeles, and continuing through September 20.

The show includes paintings by Superior Court Judge Louis H. Burke, Dr. William Bartosh, Robert Harris, retired petroleum engineer, Charles A. McKeand, management consultant, Don G. Campbell, manufacturer, and many other prominent active and retired businessmen of the community.

Walter G. Willson is chairman of the exhibit committee.

The Business Men's Art

Institute, a non-profit educational corporation, was founded many years ago for the purpose of providing businessmen with all walks of life with the facilities to "study art as a hobby."

They own their own building at 905 S. Beacon St., Los Angeles, where the members can attend scheduled art classes and demonstrations, and use private studios for painting.

Mrs. Vivien Olson, Ex-S.M. Teacher Passes Away

The recent untimely death of Mrs. Albert R. (Vivien) Olson, teacher at Sierra Madre School since 1945, is keenly felt by staff members and former pupils as school opens. Mrs. Olson came to Sierra Madre to serve as art teacher following the resignation of Miss Sarah Butler and continued in this position for several years while the seventh and eighth grades were educated in this city.

Following their removal to Marshall Jr. High in Pasadena, she taught in the upper grades as a regular classroom teacher and twice served as president of the local Teachers Club.

Mrs. Olson moved from San Gabriel to Covina and one year took a leave of absence to work there. Until she resigned from the local staff because of illness two years ago, her ability in the field of art and dramatics and her willingness to use her talent generously was evident in the many projects and activities in which she took responsibility. Former pupils may recall productions such as "H.M.S. Pinafore," and "Robin Hood."

Proceeds from the sale of tickets from the eighth grade play "Alice in Wonderland" was contributed to student body fund for music stands, a center stage curtain, and bicycle racks, which are still used by today's pupils. A mural on the wall of the reading room, formerly the faculty lounge at Sierra Madre School, is a reminder of her talents.

Her surviving children, Sandra, Karen and Ruel attended elementary school in Sierra Madre.

She is also survived by her husband, sister and mother, all of Covina. Services were held Saturday, August 31, at the Episcopal Church in Covina for this educator who served this community for nearly two decades.

FLOURNOY REPORT

by Assemblyman
Houston I. Flournoy
49TH ASSEMBLY DISTRICT

Once again the financial problems of the California Water Project are back in the news. As was indicated in this space last spring, the Department of Water Resources has come forth with a controversial proposal to get construction underway by selling some \$325 million of revenue bonds, pledged revenue from the Oroville-Thermalito power complex toward their retirement.

Those of us who live in Southern California certainly have a crucial stake in the rapid resolution of the legal and financial difficulties which are currently beclouding the future progress of the California Water Project. Its completion on schedule is vital to the economic expansion which must continue if we are to have an orderly absorption of our future growth.

This method of finance, while it has its advantages, has run counter to a Legislative Counsel opinion which flatly denies the legality of such a bond issue. The Counsel argues that the Burns-Porter Act clearly pledges ALL revenues from ALL project sources for retirement of the \$1.75 billion general obligation bonds approved by the voters in 1960.

Square Dancing At Hamilton Park

Most people have heard about square dancing and a great many have square dancing friends, but if you've never tried it yourself, now is the time! This "September Hoedown," sponsored by the Pasadena Department of Recreation, is your opportunity to try a new activity and see for yourself how much fun you can have.

Just to introduce the fun of square dancing there will be a free dance at Hamilton Park, 3680 Cartwright, Pasadena, on Thursday, Sept. 19.

The department says, "So, gals, grab your best beau, slip on some low-heel shoes and come to the 'September Hoedown.' 'Pappy' Benedict will be on hand from 7 to 9 p.m. to help you 'square 'em up.'"

A regular course in square dancing will start at Field School, 3600 Sierra Madre Blvd., Pasadena, on Thursday, Sept. 26. Registration will be held open for not more than three weeks or until room capacity is reached.
